## For the past 50 years...

JMT and all of our employee-owners have shared a strong tradition of giving back to the communities where we live and work. As we continue the celebration of "50 Years of Gratitude," this is your chance to support the causes that are important to you in order to create positive impacts in our communities.

**For 2022, our campaign goal is to reach \$200,000 in employee donations.**

For our 50th anniversary, we challenge everyone at JMT to donate at least \$50 during the campaign. JMT is continuing to use the United Way platform, through which employees may contribute to the charities of their choice. **Every dollar will be matched by JMT** (capped at \$10,000 per employee for matches), **and all designation fees will be covered by JMT.** This means every dollar donated will go toward your charity of choice.

**The campaign will run from Monday, November 8 through Wednesday, December 1, 2021.**

## Sign up for our trivia contest!

The Charitable Giving Committee will once again be hosting a companywide trivia contest, the must-participate event of the year! Trivia questions will be on a wide range of topics. The winner will be able to direct a \$100 donation to the charity of their choice. The contest is scheduled for Noon to 1 PM EST on Monday, November 15.

## The Cutest Pet

Is your pet extremely photogenic? Think your pet is the cutest of all the pets at JMT? Submit your best pet photos to the Charitable Giving Committee. During the last three days of the campaign, you will have the chance to vote on the pets and help determine which pet is the cutest. The winner will have their pet featured on the intranet with the campaign wrap-up.

## Virtual 5K

Help celebrate our 50<sup>th</sup> anniversary by running (or walking) a virtual 5K. For your \$25 entry fee, you'll get a t-shirt and you can vote on which charity will receive a donation from the proceeds of the race. Run your race the week of November 22

We were built on a foundation of philanthropic endeavors; let's continue building on that foundation for the future. We encourage everyone to give to the causes important to them and make a meaningful impact on the communities that we live in, work in, and care about.
