

PUBLIC COMMENT PERIOD EXTENSION

Route 28 Asphalt Material Supplies, Inc.
Air State Facility Permit Application and
Route 28 Material Supplies, Inc.
Mined Land Reclamation Permit Modification

The public comment period for the Air Facility Permit was first noticed on January 9, 2024, and was to extend to February 9, 2024. As Route 28 is having a supplemental virtual public meeting on February 15, 2024 at 5:30PM (to Join, visit: <http://tinyurl.com/3ss38jfe> or Call-in Using a Phone and dial the following number: 1-443-948-6058, when prompted, enter the Meeting ID: 450 444 429#), to allow for additional public comment opportunity, NYSDEC is extending the overall written public comment period to February 23, 2024, close of business. This extension will allow those members of the public attending the February 15, 2024, second virtual public meeting, an opportunity to submit written comment. Those who have not submitted comments previously may still submit written comments. Those who have previously submitted comments do not have to resubmit the same comments to be considered.
